Origami Box (Masu Box)

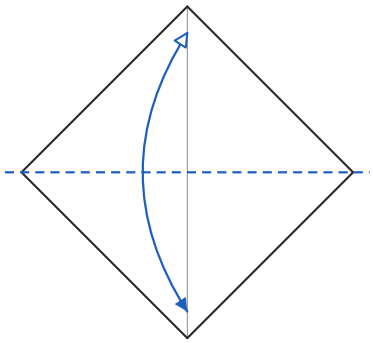

Step-by-step folding instructions

1

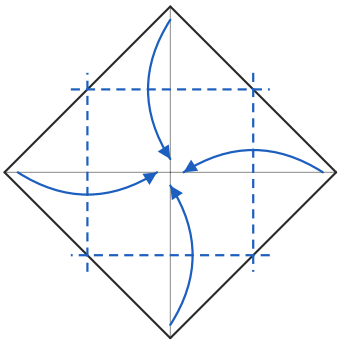

1. Start with the white side up, turned like a diamond. Fold in half corner to corner, then unfold.

2

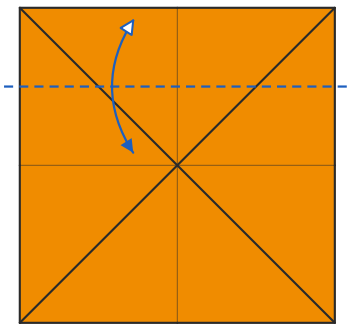

2. Fold in half along the other diagonal, then unfold.

3

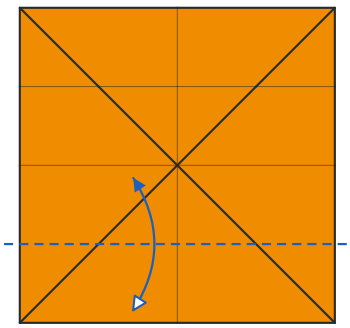

3. Fold all four corners in to the centre.

4

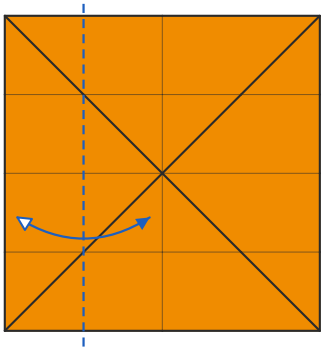

4. Fold the top edge to the centre, then unfold.

5

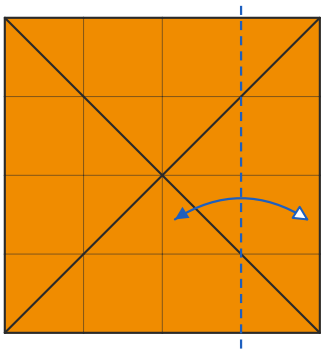

5. Fold the bottom edge to the centre, then unfold.

6

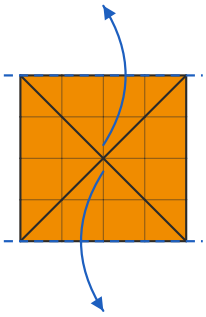

6. Fold the left edge to the centre, then unfold.

7

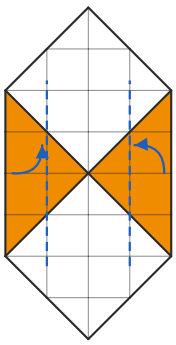

7. Fold the right edge to the centre, then unfold.

8

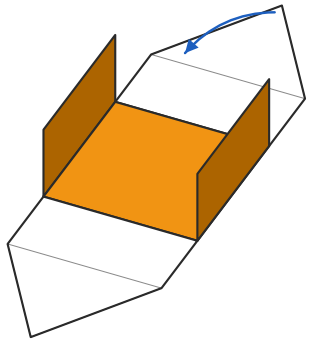

8. Unfold the top and bottom triangles.

9

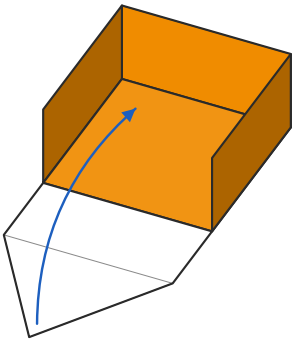

9. Lift the left and right sides up along the creases so they stand up as two walls.

10

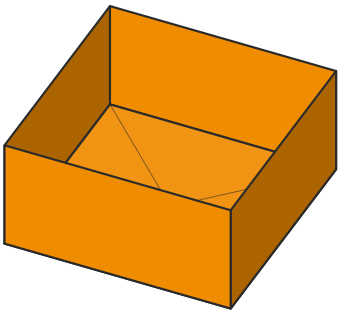

10. At the top end, push the corners in along the creases to make the third wall, then fold the top point over the wall and down into the box.

11

11. Do the same at the bottom end. Press the flaps flat inside.

Done. Your box is done. Fold a second square slightly larger to make a lid.
