Origami Butterfly

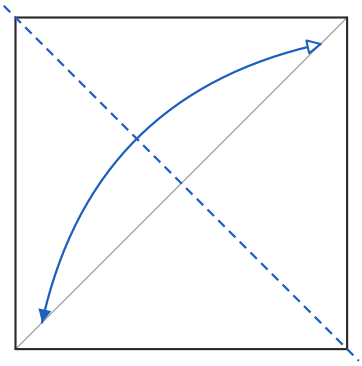

Step-by-step folding instructions

1

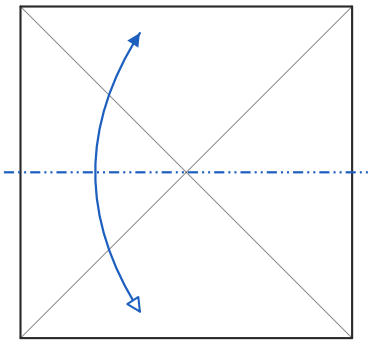

1. Start with the white side up. Fold in half corner to corner, then unfold.

2

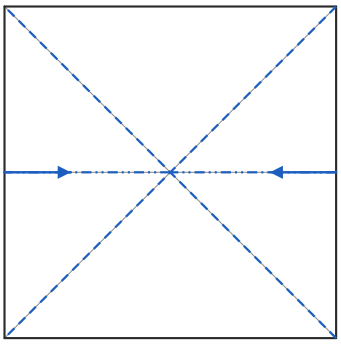

2. Fold in half along the other diagonal, then unfold.

3

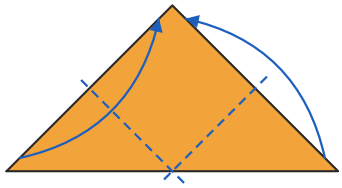

3. Fold the top behind to the bottom, then unfold.

4

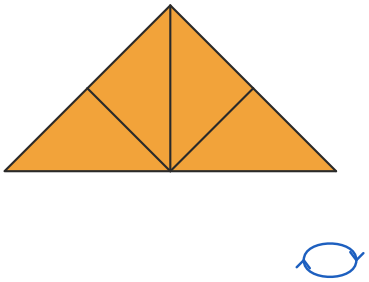

4. Push the sides in along the creases and flatten the top half into a triangle.

5

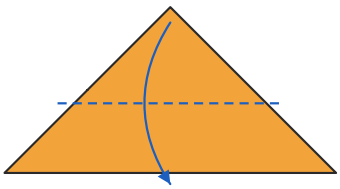

5. Fold the bottom corners of the top layer up to the top point.

6

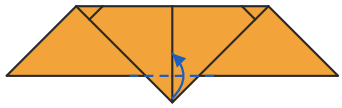

6. Turn the paper over.

7

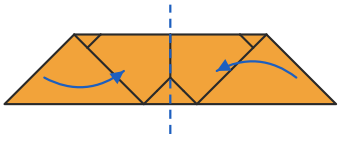

7. Fold the top point down so it sticks out past the bottom edge.

8

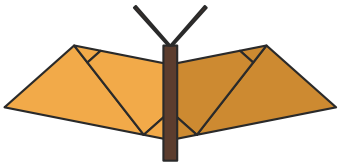

8. Fold the tip that sticks out back up over the edge to lock it.

9

9. Fold the butterfly in half along the middle, then open it a little so the wings lift and spread.

Done. Your butterfly is done. Draw a body and antennae down the middle if you like.
