Origami Christmas Tree

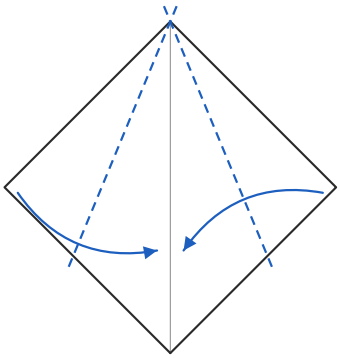

Step-by-step folding instructions

1

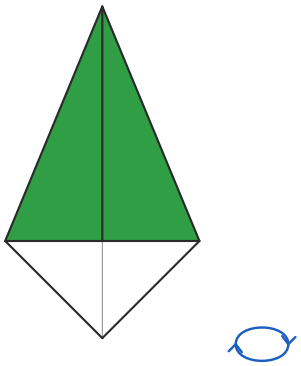

1. Start with the white side up, turned like a diamond. Fold in half from side to side, then unfold.

2

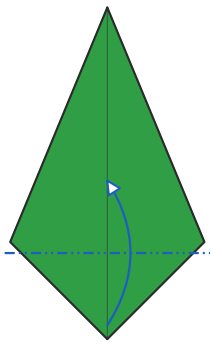

2. Fold the upper edges in to the centre crease.

3

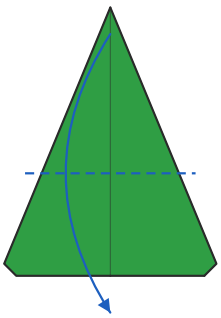

3. Turn the paper over.

4

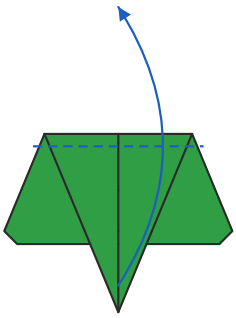

4. Fold the bottom point behind to make a flat base.

5

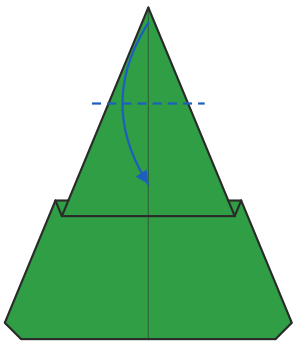

5. Fold the top point down.

6

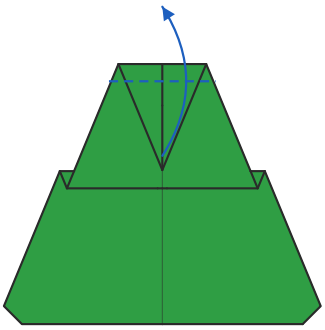

6. Fold it back up just below the fold, to make a step of branches.

7

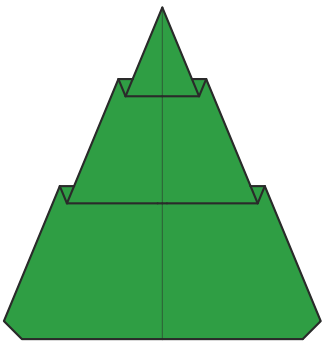

7. Fold the top point down again, higher up.

8

8. Fold it back up just below the fold, to make a step of branches.

Done. Your Christmas tree is done. Add a star or draw decorations.
