Origami Fish

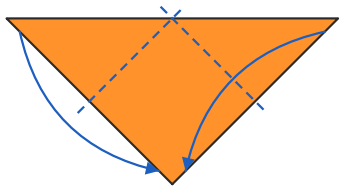

Step-by-step folding instructions

1

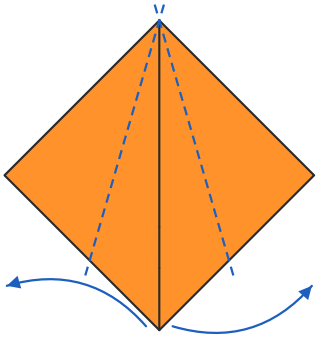

1. Start with the white side up, turned like a diamond. Fold the top corner down to the bottom corner.

2

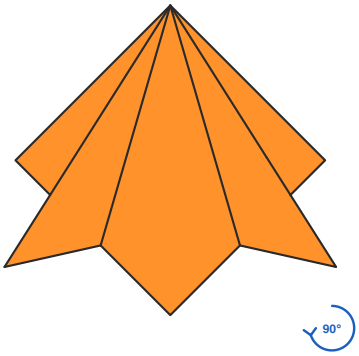

2. Fold the left and right corners down to the bottom corner.

3

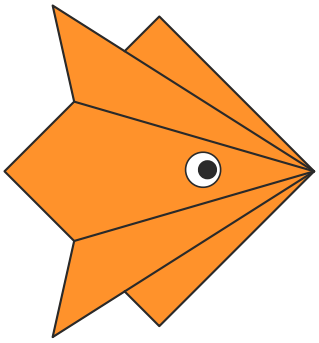

3. Fold the bottom points of both flaps out to the sides. These are the tail fins.

4

4. Turn the fish so the tail points to the left.

Done. Draw an eye near the front point. Your fish is done.
