Origami House

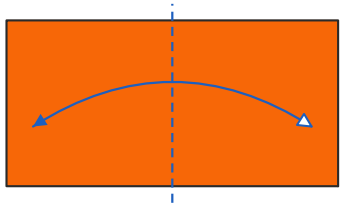

Step-by-step folding instructions

1

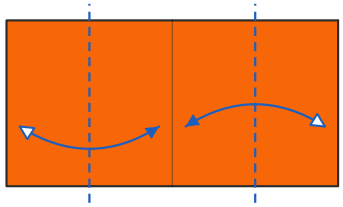

1. Start with the coloured side up. Fold the top half behind, down to the bottom edge.

2

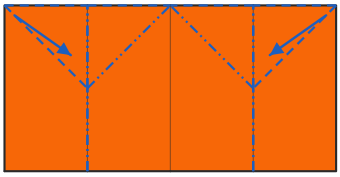

2. Fold in half from side to side, then unfold.

3

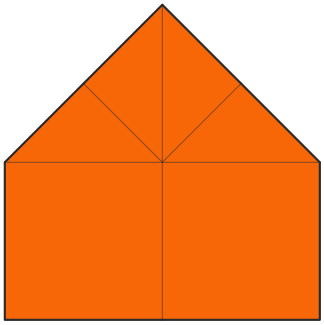

3. Fold the left and right edges in to the centre crease, then unfold.

4

4. Fold the sides in to the centre again, and as you do, push the top corners in and flatten them into a roof.

Done. Your house is done. Draw a door and windows.
