Origami Penguin

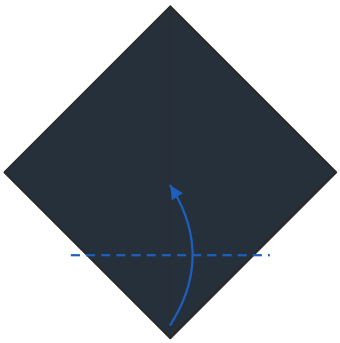

Step-by-step folding instructions

1

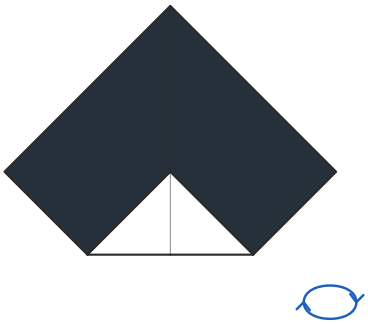

1. Start with the coloured side up, turned like a diamond. Fold in half from side to side, then unfold.

2

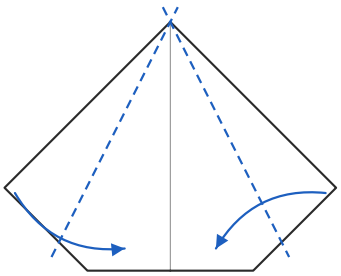

2. Fold the bottom point up to the centre.

3

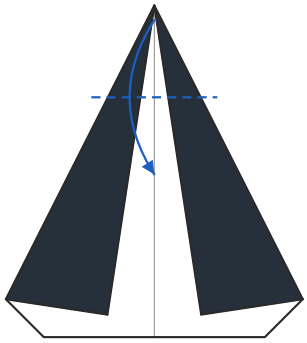

3. Turn the paper over.

4

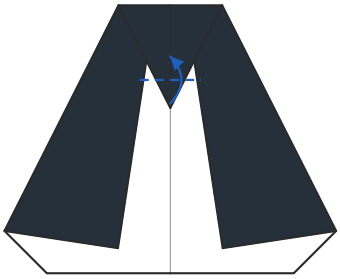

4. Fold the sides in, leaving a gap in the middle for the white belly.

5

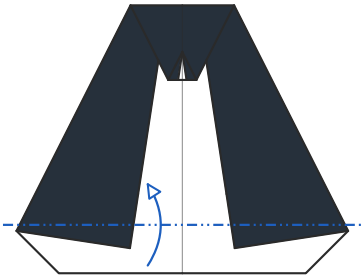

5. Fold the top point down to make the head.

6

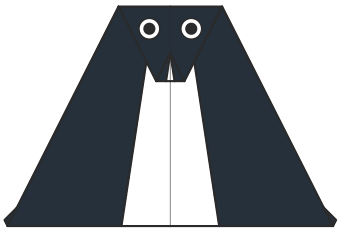

6. Fold the tip back up to make the beak.

7

7. Fold the bottom edge behind to make a flat base.

Done. Your penguin is done. Draw two eyes on the head.
