Origami Pig Face

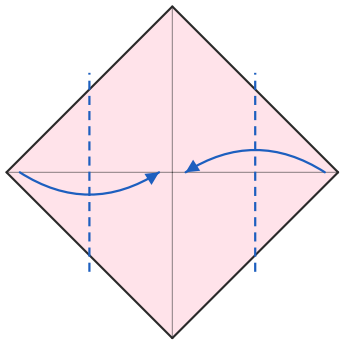

Step-by-step folding instructions

1

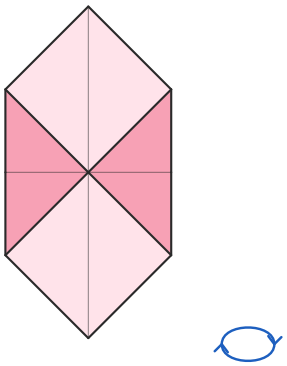

1. Start with the white side up, turned like a diamond. Fold in half both ways, then unfold.

2

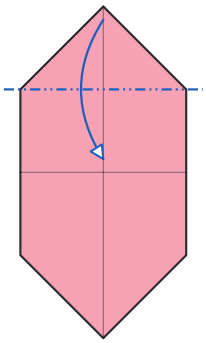

2. Fold the left and right corners to the centre.

3

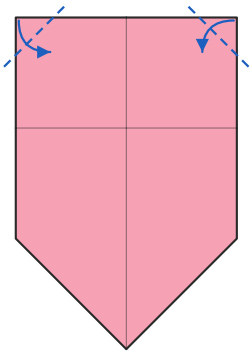

3. Turn the paper over.

4

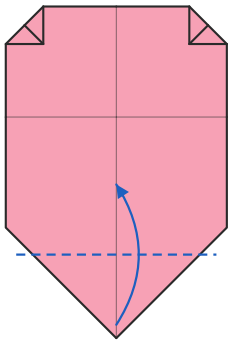

4. Fold the top point behind to the centre.

5

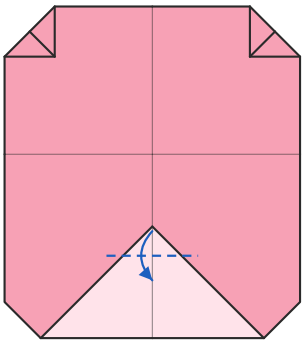

5. Fold the two top corners down a little. These are the ears.

6

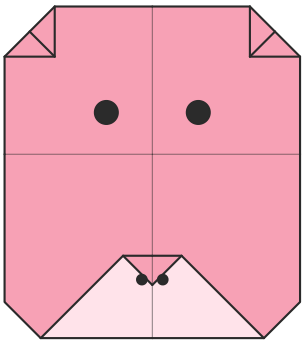

6. Fold the bottom point up. This is the snout.

7

7. Fold the tip of the snout down a little.

Done. Draw two eyes and the nostrils on the snout. Your pig is done.
