# Origami Pinwheel

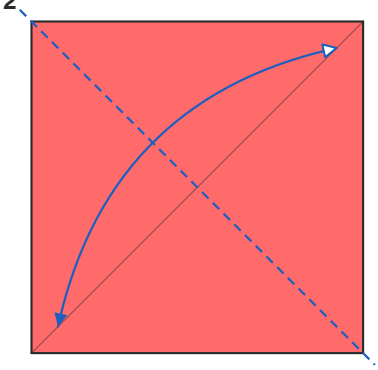

Step-by-step folding instructions

1

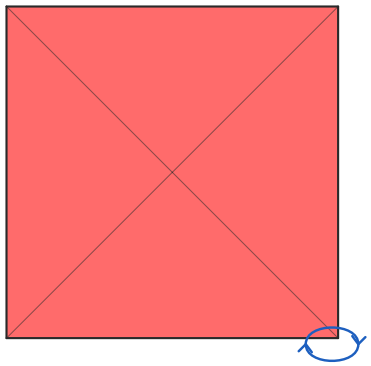

**1.** Start with the coloured side up. Fold in half corner to corner, then unfold.

2

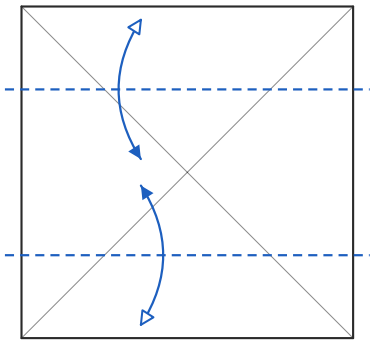

**2.** Fold in half along the other diagonal, then unfold.

3

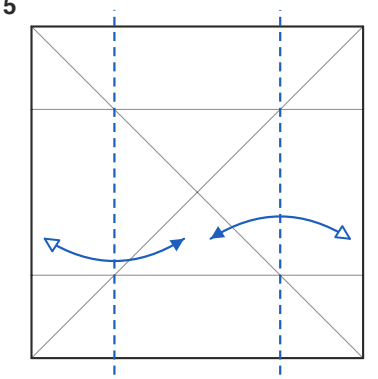

**3.** Turn the paper over.

4

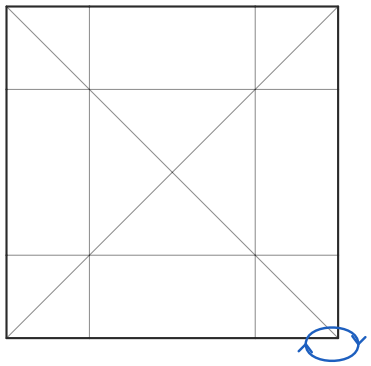

**4.** Fold the top and bottom edges to the middle, then unfold.

5

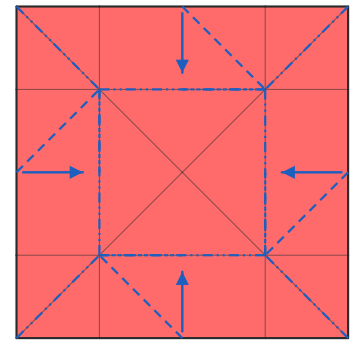

**5.** Fold the left and right edges to the middle, then unfold.

6

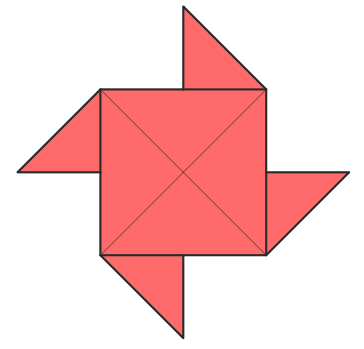

**6.** Turn the paper over.

7

**7.** Push the four edges in toward the middle along the creases. Each corner pulls out sideways into a point. Flatten it.

**Done.** Your pinwheel is done. Pin the centre to a stick or pencil eraser loosely so it can spin.
