Origami Santa Hat

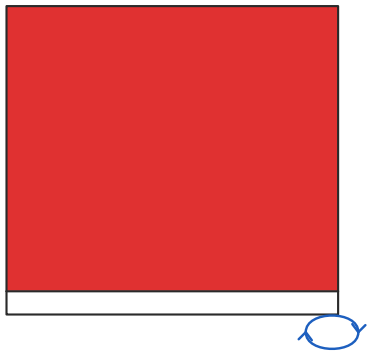

Step-by-step folding instructions

1

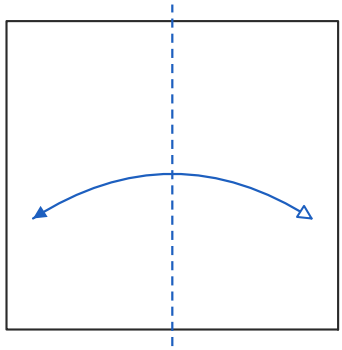

1. Start with the red side up. Fold the bottom edge up a little, about 1 cm (half an inch).

2

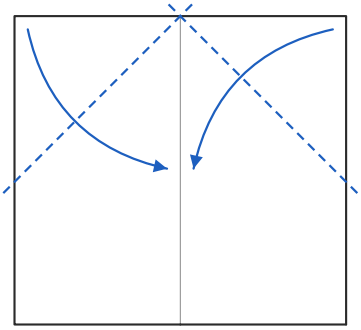

2. Turn the paper over.

3

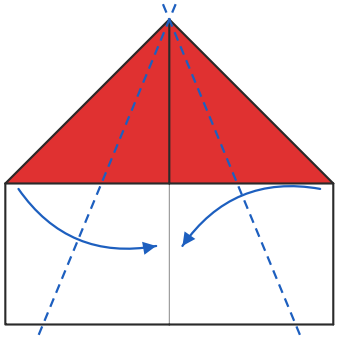

3. Fold in half from side to side, then unfold.

4

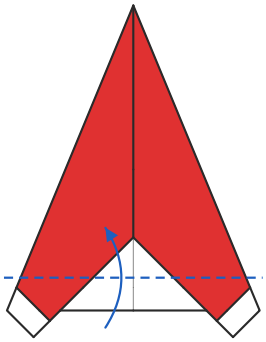

4. Fold the two top corners down to the centre crease.

5

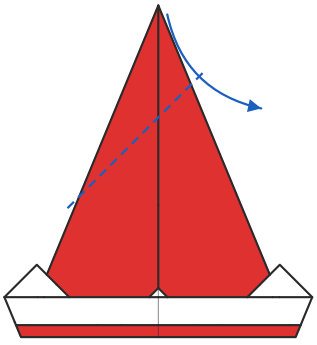

5. Fold the right and left edges in to the centre crease, so the top becomes a long point.

6

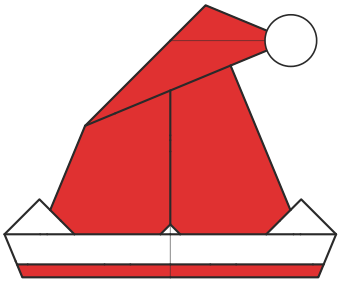

6. Fold the bottom edge up to make the brim.

7

7. Fold the top point down to the right.

Done. Glue a white paper circle or a cotton ball on the tip. Your Santa hat is done.
