Origami Santa Face

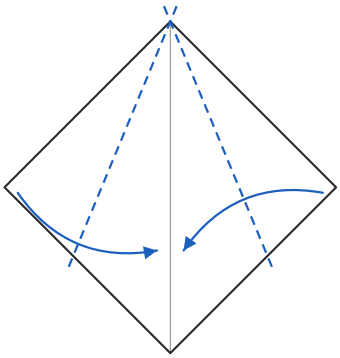

Step-by-step folding instructions

1

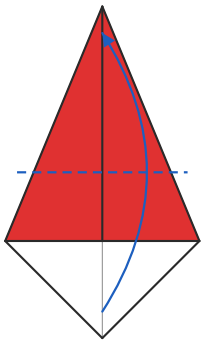

1. Start with the white side up, turned like a diamond. Fold in half from side to side, then unfold.

2

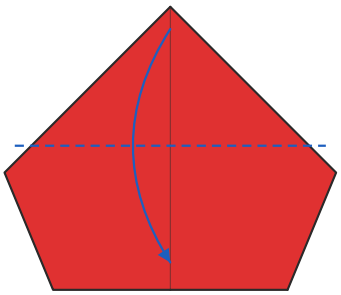

2. Fold the two top edges to the centre crease.

3

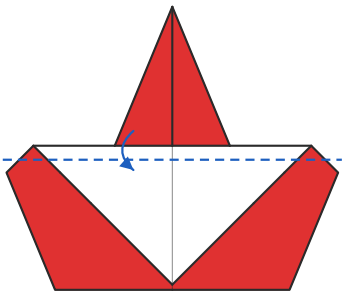

3. Fold the bottom corner up to the top corner.

4

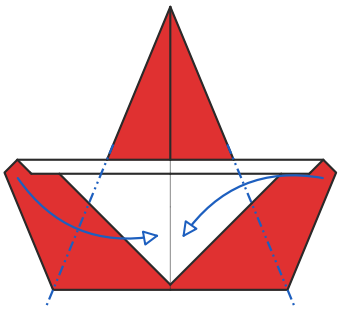

4. Fold the top point of the front flap down. This is the beard.

5

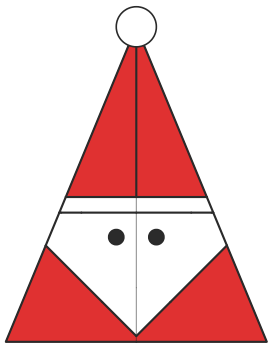

5. Fold the top edge down a little to make the white trim of the hat.

6

6. Fold the side corners behind, on a line from the tip of the hat to the bottom corner.

Done. Draw the eyes and a white pompom on the tip of the hat. Your Santa is done.
