Origami Walrus

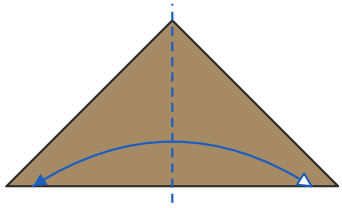

Step-by-step folding instructions

1

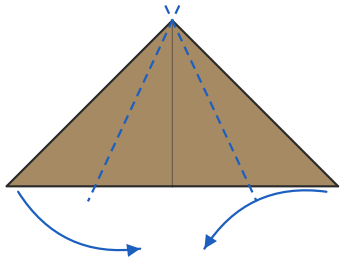

1. Start turned like a diamond. Fold the bottom corner up to the top corner.

2

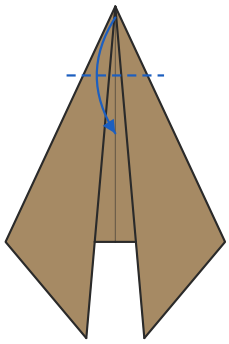

2. Fold in half from side to side, then unfold.

3

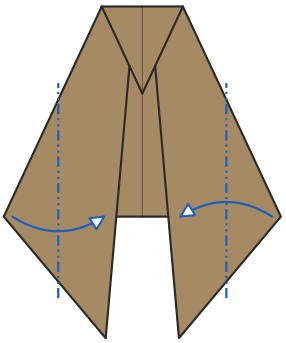

3. Fold the left and right corners down past the bottom edge. These are the tusks.

4

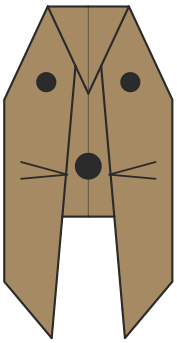

4. Fold the top point down.

5

5. Fold the left and right corners behind to make the head narrower.

Done. Draw the eyes, nose and whiskers. Your walrus is done.
