Origami Whale

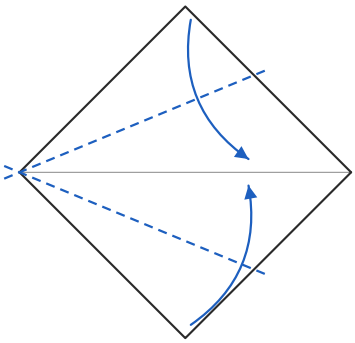

Step-by-step folding instructions

1

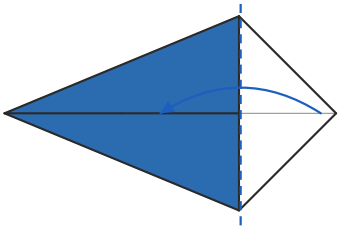

1. Start with the white side up, turned like a diamond. Fold in half from top to bottom, then unfold.

2

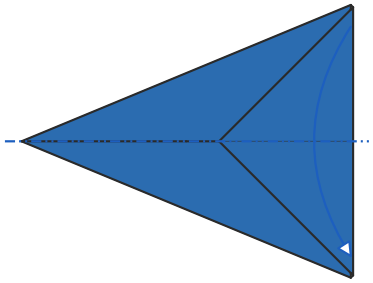

2. Fold the top and bottom edges on the left in to the centre crease.

3

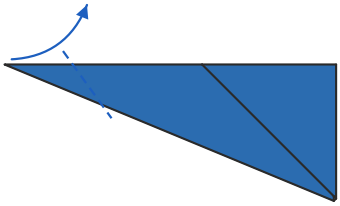

3. Fold the right point over to the left.

4

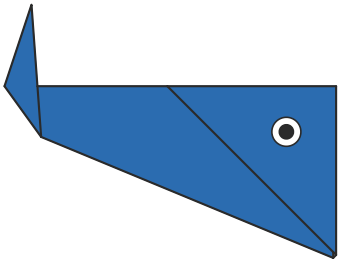

4. Fold the top half behind.

5

5. Fold the thin point up to make the tail.

Done. Draw an eye near the front. Your whale is done.
